

April 2021

# Little Acorns

## Newsletter

**W**elcome back to Little Acorns or Welcome if your child is starting this term. We hope you have enjoyed the Easter break and been able to catch up with some family and friends. We are looking forward to the Summer term and will be thinking about different types of transport. We will also be looking at road safety, sun safety and some more nature e.g. How are the tadpoles growing? We will be growing some butterflies and planting some plants in the garden boxes.

We will be continuing to teach the children more independence eg using the toilet by themselves, washing their hands, pushing their sleeves up when washing their hands or playing in wet or messy activities, putting their coats on. Please help us to help your child by sending them in clothes that are easy to pull up and down.

It is important during this time that you let us know if your child is not going to be attending a session, please **text 0798 6716503** as we may not always be available to answer a telephone call.

### Dates for 2020-2021

Summer term starts  
19<sup>th</sup> April

**Closed Mon 3<sup>rd</sup> May**

Half term 31st May-4<sup>th</sup> June

Summer term finishes

**Thursday 15<sup>th</sup> July**

Please only send in a rucksack/small bag if your child is likely to need a change of clothing due to potty training. Please could this be **as small as possible**, a named carrier bag will be fine.

(We do not have a lot of room). Please make sure only a change of clothes/nappy is in the bag and that the bag is **named**. **We do not need anything else**. Please send your child in the appropriate clothes for the weather. We will be going outside in most weathers even if it is cold. We

are unable to keep a child indoors if they are well enough to be at pre school. We do keep spare clothes should a child need a change of clothes.

We will be returning to Little Acorns on Monday 6th September for those continuing with us.

*Please let us know if you have any holidays booked during term time or any days off.*

### COVID 19

**Please do not send your child in if they have any symptoms of COVID 19—a continuous cough, high temperature or loss of smell or taste or if someone in your household has symptoms. Please make sure you arrange a test and stay at home until you have the results. Should the test**

**WOW**-if your child has achieved something at home eg dressed themselves for the first time or been kind or anything you feel proud of, why not send in a little note so that we can read it to the rest of the children or email us if you prefer.

As we have a variety of allergies, please can we ask you **NOT** to send your child in with any kind of food
